

## Instruction by Sea Kayaking Finland

30.3.2012

### INSTRUCTION SCHEDULE

The following is a tentative schedule for Sea Kayaking Finland's classes in 2012.

**Basic classes** are arranged mainly for Groups wanting high quality instruction as part of their paddling experience. Basic level instruction is mostly handled in Finland by kayaking clubs. However, we are happy to arrange a basic class, if we get a group of 8 or more interested. We have not scheduled any open for all basic classes for the season, but shall do so, if there is enough interest.

**BCU skills classes** are arranged as mixed 2 Star / 3 Star Sea classes. This will allow us to possibly graduate candidates, who do not quite yet reach the 3 Star Sea level as pending 2 Stars requiring Canoe addition.

We are arranging the 2/3 Star classes in Finland and Estonia this spring/summer.

#### Coach classes

We are working with Trys Burke and Keirron Tastagh to arrange BCU Level 1 Coach Class in Finland again.

Additionally we are arranging a Coach L 2 Training for 2011 graduated Coach L1's,

Since Coach L1 requires a New 2 Star certificate, we offer a possibility for 3 Star Kayak paddlers to do a New 2 Star Test concentrating on open canoe skills in May.
